

## Special Benefits Enrollment Opportunity

Your Enrollment Period:

**October 12 - October 26, 2021**

During this special benefits enrollment window, you'll be able to elect important benefits from The Hartford.

Life and Accidental Death and Dismemberment (AD&D) insurance provide cash benefits in the event of a covered accident or death. Coverage options include:

Life insurance

• **During this enrollment period only, enroll yourself and your dependents to Guaranteed Issue limits without Evidence of Insurability (EOI).**

If you die, Life benefits are disbursed to your beneficiaries in one lump sum to help pay for things like final expenses, existing debts, and future expenses like retirement savings and college tuition.

AD&D insurance

• **You can also enroll yourself, your spouse, and your child(ren) in AD&D coverage at this time.**

AD&D provides a lump sum benefit if you were to die as a result of a covered accident. It also pays partial benefits for scenarios like losing your sight, hearing, a limb, or ability to speak in a covered accident.

Your employer cares about your financial wellness, and is offering these valuable benefits - at affordable group rates - in addition to the benefits already provided at no cost to you.
