

# 2022 OPEN ENROLLMENT

ENROLL BETWEEN OCTOBER 12 - OCTOBER 26

2022

## Benefits Open Enrollment

Remember, Open Enrollment runs from  
October 12 through October 26, 2021.

- ✓ This year's enrollment is passive. That means all of your benefits roll over if you take no action during Open Enrollment. However, you must re-enroll in your HSA and/or FSA.
- ✓ For employees currently enrolled in the Health Savings Account, Healthcare and/or Dependent Care Flexible Spending Account(s) - you must log in and re-elect coverage during Open Enrollment to have coverage for 2022.
- ✓ If you add a new dependent to your benefit plan, you are required to document the dependent.

*Please note that proper documentation confirming your dependents and their eligibility for coverage will be required by December 31, 2021. You can upload these in LCG360.*
